

June 12, 2023

To whom it may concern,

This is to confirm that Matrix, with a main office located at 3 Abba Eban Street – 46120000 Herzelia – Israel, has been appointed as a PTC reseller for certain of its software products and services in Israel, which products include Mathcad software.

To my knowledge, Matrix is currently the sole distributor of Mathcad products in Israel which is a registered Israeli company.

Regards,

PTC Inc.
